Save **America's**
Churches

HERE TODAY GONE TOMORROW

Every year, thousands of unique, historic and landmark Christian Churches close their doors, never to be opened again.

Their communities are left without support from a Christian leader and in many cases, other religions are stepping in to take their place.

Approximately 135 Christian Churches close each week in America. Most never open again. Many are converted into Mosques or repurposed for other non-Christian uses.

MEET SAC

Our mission is to save every shuttered and foreclosed Christian Church building in America, to preserve their Christian heritage and legacy, and to place God-called, Bible-believing missionaries back in her pulpits.

We believe we are called to be custodians of historic and troubled Christian landmarks while visioneering for a new movement. We are deeply rooted in the Biblical text while bridging the path to current conversations. At SAC, we are dedicated to the shift from religion to relationship, from ecumenical formality to missional community.

Our vision is to see America revived in her faith and we must work to save her people from the calamity of a Christless culture. We believe that when we save a Church, we're restoring hope. If we can restore hope, we can revive the hearts of God's people to believe for a reformation and revival in our cities, towns and communities all across America.

SAVED BY SAC

Since November of 2014, Save America's Churches, Inc. has legally interceded to save, either through acquisition or negotiated settlements, nine Church campuses. These endangered Churches are valued at more than \$11 million. Save America's Churches is pleased to announce that each of these campuses are now open and each are providing Christian services that are vital to the people of the communities they serve.

PHILADELPHIA, PA

After 10 months of negotiations, The Greater Church of Philadelphia was saved from foreclosure and purchased by SAC in June 2015.

FT. PAYNE, AL

This Church was closed after the death of its Sr. Pastor. SAC stepped in and reopened the Church to ensure the work and legacy of Pastor Hamby.

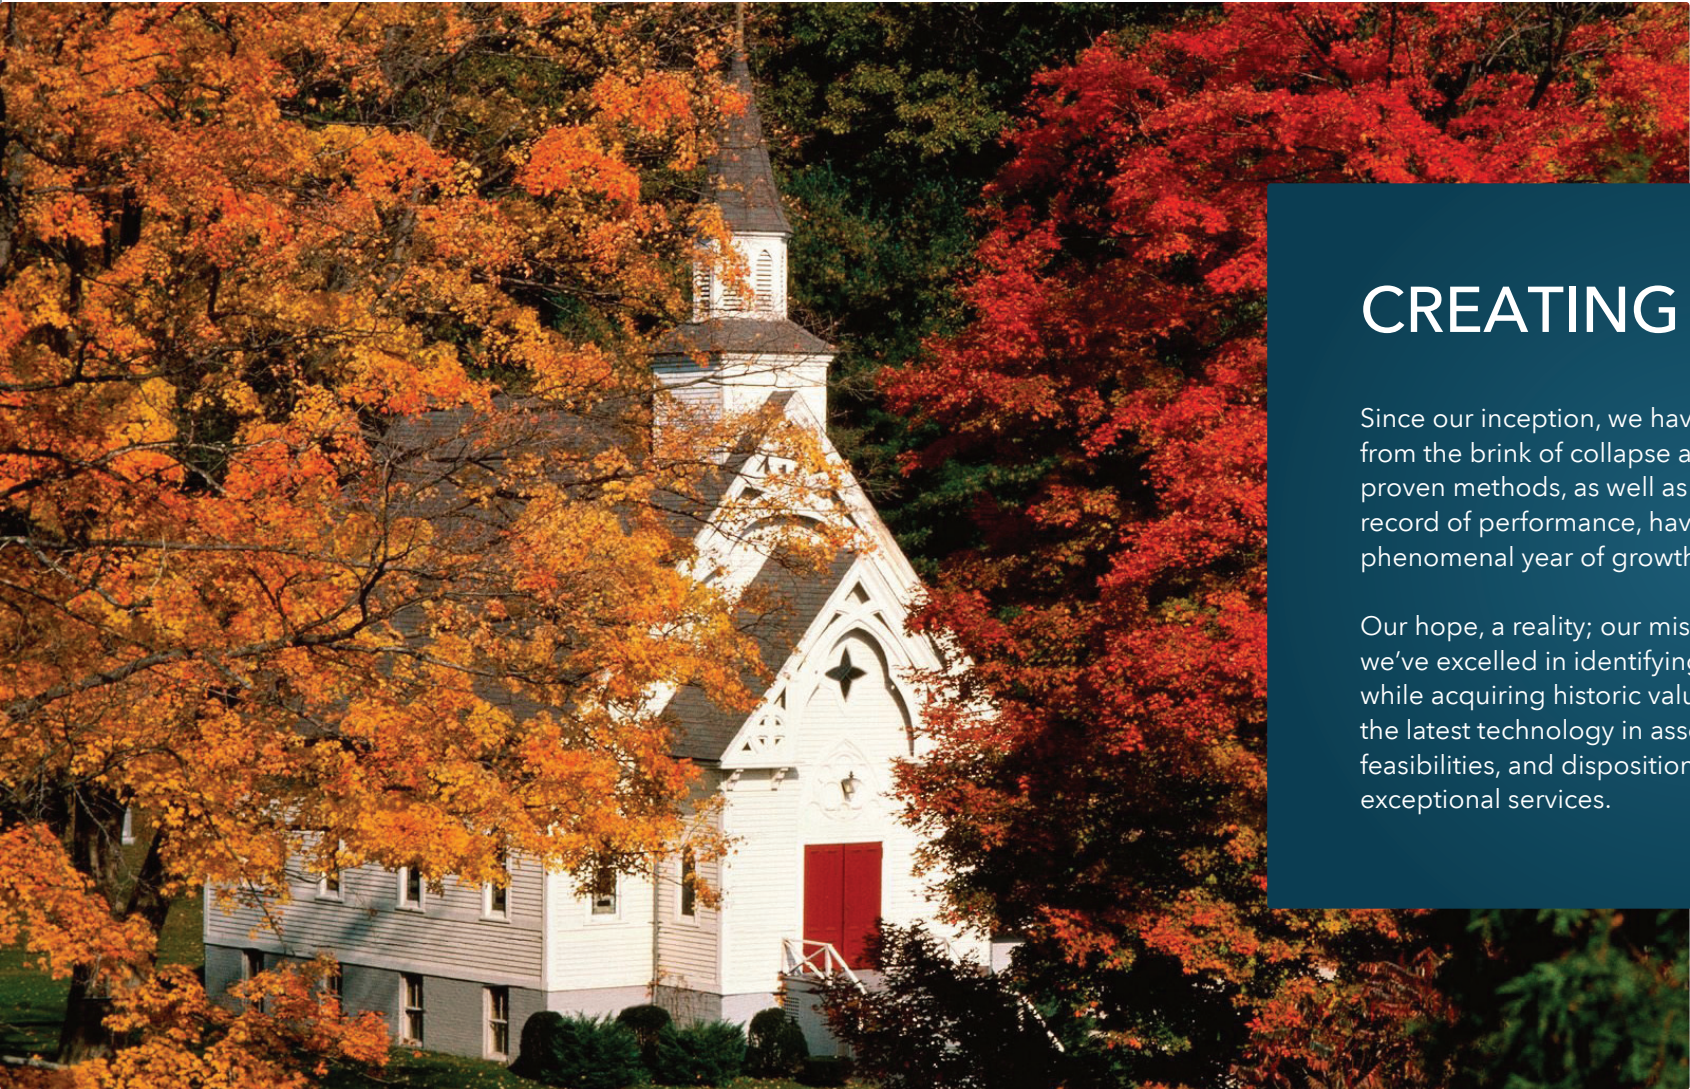

NEW YORK, NY

SAC has underwritten this beautiful Church to ensure that the Church remains open and the legacy of its founder continues to flourish.

ORLANDO, FL

Our legal team was able to negotiate a settlement that ensured satisfaction of all outstanding claims and prevent any further encumbrances from entangling its future.

CREATING SUCCESS

Since our inception, we have saved Churches from the brink of collapse and financial ruin. Our proven methods, as well as our established track record of performance, have allowed us to enjoy a phenomenal year of growth.

Our hope, a reality; our mission, a certainty. At SAC, we've excelled in identifying Kingdom opportunities while acquiring historic values. Our team employs the latest technology in asset evaluations, property feasibilities, and disposition strategies to ensure exceptional services.

WHAT OTHERS ARE SAYING ABOUT US

BISHOP H. ALAN MUSHEGAN • ATLANTA, GA

"I knew it was an important cause but nothing could have prepared me for what I experienced in Philadelphia. I watched a Pastor and his Church on the brink of dissolution get a fresh breath of life as Save America's Churches stepped in to rescue them from their dire situation. *For me, this experience was life changing!* Thank you SAC for allowing me to be a part of this noble cause."

DR. CHERYL RICKARDS • MILLTOWN, NJ

"My experience with Save America's Churches changed my life. Before, I had a knowledge of inner city missions, but after my experience in Philadelphia, I've lived the inner city mission. My heart cries for these people! I urge everyone to give generously to Save America's Churches so that we can rescue more Churches and Ministries."

PASTOR DANETTE RAY • PHILADELPHIA, PA

"Victor Hugo, the famous poet and writer says, 'Nothing is more powerful than an idea whose time has come'. I believe that Save America's Churches is a powerful idea whose time has come and I am excited to partner with SAC because it's a God-birthed idea."

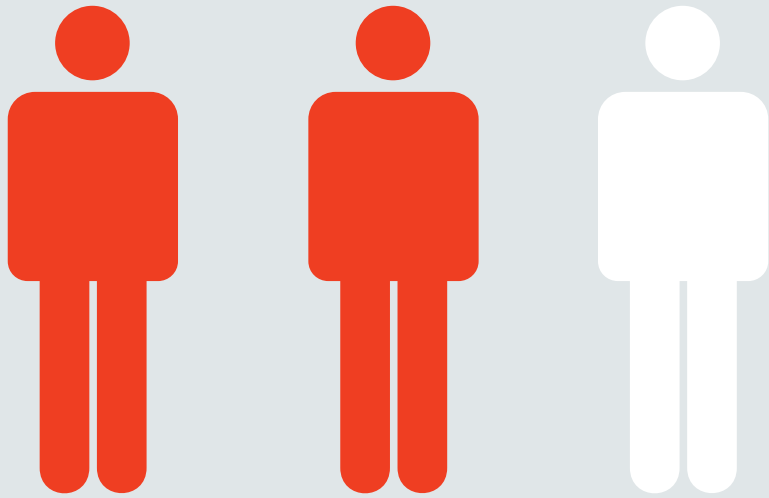

WE'RE MAKING A DIFFERENCE

SAC is helping communities all across America retain their Christian heritage and keep their cherished local Churches from closure and disolution.

Christian Churches in America are declining at a rate of over 4,000 per year. Last year alone, over 20,400 Pastors permanently quit the ministry.

2 out of 3 Americans say they believe in God...

**BUT DO NOT ATTEND A
CHRISTIAN CHURCH**

The face of religion in America is changing. Statistics show that more than 4,000 Christian Churches are permanently closing each year.

THE CHANGING FACE OF AMERICA

There is a CRISIS in America and we cannot wait any longer to do something about it!

Save America's Churches was created to do just that but we need your help. From 2000 to 2010, the number of Mosques rose from 1209 to 2106, despite the headlines of protests you see in the media. It is no longer enough to just speak out.

The time to act is NOW!

You can help today! Every gift helps save a Christian Church in America that will be permanently closed.

YOU CAN HELP MAKE IT HAPPEN

Making a donation today is safe, secure, and only takes a few minutes of your time. A few minutes that could mean all the difference for a Christian Church in America that is in jeopardy right this very moment.

Give as much or as little as you wish. You can even set up recurring donations of smaller amounts that easily fit into your budget. Gifts of any size are greatly appreciated!

IT TAKES A GREAT TEAM

SAC management has over 50 years of experience in the real estate development, property management and financial management fields. Our talented team is dedicated to the mission of saving America's historic Churches. We are committed to keeping as many Christian Churches open for the purposes of the Gospel of Jesus Christ. Every partner in our cause helps to preserve a Christian pulpit and the promise of revival in America.

Will you become a member of our team? We need your help today!

Trust is earned. SAC has a proven track record of fierce, driven, creative bargaining while maintaining the highest standards of excellence you've come to expect from us.

IT'S NOW...OR NEVER!

We have an incredible opportunity to purchase and revitalize Christian Churches across America. 4,000 Churches were permanently closed last year and as a result, over 2,700,000 people stopped attending a Christian Church. Most people admit that their faith is in crisis, and they've lost hope.

We need your help today. Together, we can Save America's Churches. When we save a Church, we're saving much more than brick and mortar, we are saving a community of people. When we save a Church, we're not only helping to save our Christian heritage, we're also breathing new life into communities that have, more often than not, suffered from hopelessness.

Join us today! Together, we can Save America's Churches.

CULTURAL IMPERATIVE

Today, the lines between Scriptural imperatives and moral relativism, between Christian behavior and cultural accommodations are being erased.

At SAC, we are excited to partner with courageous "missional" architects who are brazenly drafting new paradigms for doing "Church." We know that to be effective in our efforts to save Churches, we need bold men and women who are willing to risk personal traditions, religious preferences, and denominational biases to revitalize and restore America's Christian Churches in this increasingly Christless culture.

I encourage you to join us today. Together, we can Save America's Churches.

MAKING EVERY DOLLAR COUNT

We believe in negotiating for the best possible outcome for Jesus and His Kingdom. Both our purpose and mission drive our expectations. As a result, we do not settle for "good" deals but instead seek those opportunities others would label a "miracle." At SAC, we believe that when we save a Church, we help preserve a people and save a nation!

We are 100% committed to excellence in stewardship and settle for nothing less.

THE RISE OF CHURCHLESSNESS IN AMERICA

BY THE NUMBERS

We have been blessed. God has given us great favor and we've miraculously accomplished so much with so little. In our first year we've helped save Churches valued at more than \$11 million in Alabama, Florida, Georgia, New York, Pennsylvania, Tennessee, and Texas. It is our prayer that you will partner with us and help us meet our goal of raising \$1,000,000 for Churches in need.

With your help, SAC will save many more historic Christian Churches in America.

SAC has a proven track record of performance. Our workout solutions include performance studies that embrace strategic objectives, demographic analysis, and community enthusiasm.

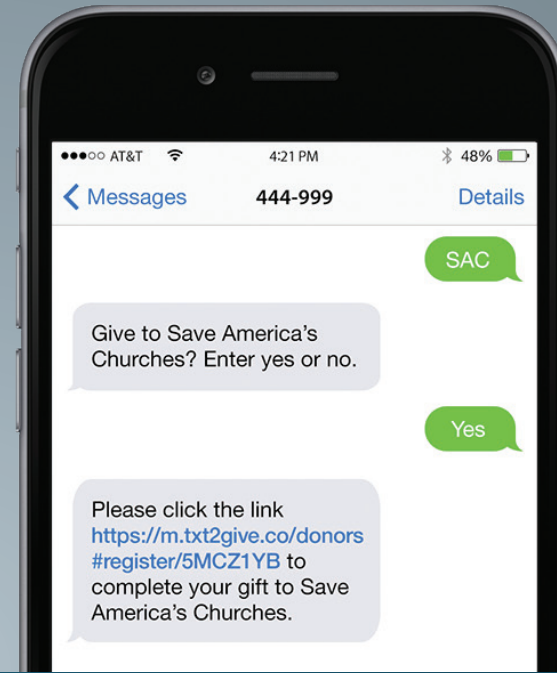

THERE'S A WAR GOING ON

Are you standing on the sidelines? How often do you get the chance to breathe new life into a troubled community, save priceless Christian landmarks, and restore hope where it once was lost? Your gift to SAC does all this and more. You can't win a war without the infrastructure in place to support it. SAC is fighting for more than just a Church.

We're fighting for the soul of America. We need your help. Please give generously today!
